

Moving AWS Certifications

Step 1: Sign up to APN using company profile: create a login using your work email
<https://partnercentral.awspartner.com/APNSelfRegister>

Step 2: Click 'My Profile' in the menu on the right, as shown below.

Step 3: Click 'My AWS Certifications'.

My AWS Certifications

Your user information provided will be handled in accordance with the [AWS Privacy Notice](#)

View All Trainings and Certifications		Edit
AWS T&C Account Email	<input type="text" value="email@email.com"/>	
I consent to share my AWS Certifications with "NEXTGEN Group"	<input checked="" type="checkbox"/> Yes	

Step 4: Where it says 'AWS T&C Email' enter your email account that has your AWS certifications under it.

Step 5: Make sure you toggle that you consent to share your certification data.

Step 6: Save settings, certifications should show up in APN within 48 hours
